

Description: Special stain for robust objects such as garden tables, side tables, garden chairs, benches, sheds, etc. made from untreated reclaimed wood or unplanned wood. Also suitable for use on other soft untreated types of wood. For interior and exterior use.

Application

Stir thoroughly prior to use. Apply in the direction of the grain using a broad long-haired brush.

Drying time at 23°C: Dust dry after approximately 4 hours and can be painted over after approximately 24 hours.

Dilute with: Ready to use.

Covers: Heavily dependent on the coating thickness and the structure of the surface to be treated.

SYSTEM CONSTRUCTION

Preparation

Remove dirt and any moss or algae, clean with paint cleaner or ammonia and leave to dry.

TECHNICAL DATA

Dilute with: Ready to use

Hazard classification: See safety information sheet (MSDS)

Tool cleaning instructions:

It is recommended to use disposable brushes.

Storage: Minimum of 12 months in the tightly sealed original packaging in a dry, cool and frost-free place.

General information

Do not use in temperatures below 10°C, in direct sunlight or when rain or fog is expected. Replace the lid firmly after use, turn the can upside down and then store in an upright position.

Harmful particles may be released when sanding or scraping off coats of paint, etc. Work in a well-ventilated area and use the correct protective equipment if necessary.

Warning: Used rags and cloths can ignite if they become overheated. Always spread them out and leave outside to dry or pour water over them.

Surplus product: This product and the packaging should be disposed of at a collection point for hazardous or special waste.
