

Description: Colourless varnish based on modified alkyd resin. Long-lasting protection against intensive use. For interior use. In Gloss and Silk.

Use: Ideal for the long-lasting protection of hardwood parquet flooring, stairs, doors, furniture, skirting boards, etc.

Properties:

- Durable
- Hard-wearing
- Glossy
- Can be diluted with turpentine/white spirit
- Accentuates the grain of the wood

Colour: Colourless.

Application: Stir thoroughly prior to use. Apply in the direction of the grain using a broad brush or paint roller. Before applying the first coat on untreated wood, dilute with 5-10% white spirit for better penetration. The second and third coat should not be diluted. After every coat, lightly sand in the direction of the grain and carefully ensure it is free of dust.

Covers: Approximately 16 m²/litre per coat.

Drying time at 23°C and relative humidity of 65%:

Dust dry after approximately 4 hours.
Can be painted over after approximately 18 hours.

SYSTEM CONSTRUCTION

Substrate: The surface must be clean, dry and free from dust or grease.

Untreated wood: Degrease with water and ammonia, lightly sand and remove any dust. Finish with 3 coats of Finess Floor Varnish.

Coats of varnish in good condition: Carefully remove any grease using a degreasing agent, sand lightly and remove any dust. Finish with 1 or 2 coats of Finess Floor Varnish.

Coats of varnish in poor condition: Remove all coats of varnish in poor condition by sanding them back and/or scraping them off. Then treat as "Untreated wood".

TECHNICAL DATA

Binding agent: Urethane modified alkyd resin

Solvent: White spirit

Solid components: 43% by volume

Sp. Gr.: Approximately 0.9 g/ml

Viscosity: 80 sec Din cup 4 @ +20°C

Recommended coat thickness: 25-30 microns per coat (dry)

Degree of gloss: with Gardner 60°C gloss meter.
Gloss: > 85% Silk; 35-50%

Tint: Colourless

Dilute with: White spirit

Flash point: Approximately 39°C

Hazard classification: See safety information sheet (MSDS)

Tool cleaning instructions: White spirit or paint brush cleaner.

Storage: Minimum of 12 months in the tightly sealed original packaging in a dry, cool and frost-free place.

General: It is preferable to use the product in temperatures between + 8°C and + 30°C. Seal the packaging firmly after use, turn upside down to prevent a skin from forming and store in an upright position.

Surplus product: This product and the packaging should be disposed of at a collection point for hazardous or special waste.
