

### Description

Smart cleaner has been specially developed for fast and safe removal of remnants of sticker adhesive, bitumen, PUR, tar and sticky polyurethane, silicone mastics, oil, underseal, remnants of sticky tape and many other sticky residues. Also extremely suitable for cleaning tools. Can be used to remove wax and grease and also as a vehicle cleaner.

Smart cleaner is based on natural ingredients and is economical in use.

### Properties

- Easy to use
- Very effective
- Citrus odour

### Application

Spray Smart cleaner onto the contaminated surface, allow it to soak in and remove with a cloth. If the surface is badly contaminated, repeat until you achieve the desired result. Do not use on rubber and polystyrene. Always try out on a test area when treating plastics and rinse clean. **ALWAYS** test the compatibility of the surface by applying to a test area!

Does not remove dried paint, polyurethane mastic and so on.

### TECHNICAL DATA

**Content:** 500 ml

**Base:** Terpene

**VOC content:** 100 m/m %

**Hazard classification:** See MSDS

**Storage:** Minimum of 12 months in the tightly sealed original packaging in a dry, cool and frost-free place.
